MAY KILL MEADOW LARKS

Secretary of Agriculture Provides Practice for Novices.

The secretary of agriculture has issued an order permitting the killing of meadowlarks in South Carolina by persons owning or leasing farm land on which corn and oats are being grown, and also by members of such person's immediate family, and by his bona fide employees. Under the order meadowlarks may be killed by shooting, from half an hour before sunrise to sunset from November 1, 1919, to April 30, 1920, inclusive, in fields of sprouting corn and sprouting oats when the birds are committing, or are about to commit, serious injury to these sprouting grains. The order contains a restriction prohibiting the killing of birds from artificial or natural blinds. Furthermore, it does not permit any of the birds killed to be wasted or destroyed, sold or offered for sale, or shipped, transported, or carried in any manner, except that they may be carried by the person killing them to the residence on the lands of the owners or lessees, there to be used for food purposes by the persons authorized to kill them. Meadowlarks killed within the period above mentioned may be possessed not longer than May 16, 1920.

Following many complaints of damage being done to sprouting corn and oats by meadowlarks, the Bureau of Biological Survey of the department of agriculture sent an expert to South Carolina to investigate the extent of the damage, and as a result of his report, which showed that the complaints received were well founded, the secretary of agriculture issued the order. Meadowlarks are protected throughout the year under the Migratory Bird Treaty, Act, and Regulations, except that when any species of migratory bird becomes, under extraordinary conditions, seriously injurious to agriculture or other interests, the secretary of agriculture may, after appropriate investigation, issue an order permitting the birds to be killed during certain periods.

CORNS COME OFF LIKE BANANA PEEL

"Gets-It" Leaves Toe Smooth As Your Palm. Never Fails.

Ever peel off a banana skin? Well, that's the way "Gets-It" peels off any corn or callus. It's a picnic. Nothing else in the world will do it.

"2 Drops of 'Gets-It,' Goodbye Corns!" but "Gets-It" because of the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contraptions," "wrappies," plasters, ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" eases pain. It takes but a second or two to use "Gets-It." There's no fussing or trouble. It dries immediately. You put your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It," the only sure, guaranteed, money-back, corn-remover, costs but a trifle at any drug store. THE YORKVILLE ENQUIRER FOR 1920

Reduced Rates of Subscriptions to Subscribers In Clubs.

CASH COMMISSIONS TO CLUB MAKERS.

Club Campaign to Continue From November 1, 1919, to February 14, 1920.

With largely increased mechanical facilities, with editorial staff augmented, and an abundant supply of white paper, The Yorkville Enquirer is now more interesting and valuable than it has ever been, and it is the purpose of the publishers to still further improve it during the year 1920.

In order that it may be still more useful to the public this paper should have a much larger circulation, something like 4,000 or 5,000 copies per issue, and as this increase can best be brought about through the co-operative efforts of those who take and read the paper and know what it is, we are asking that each present subscriber do what he can to help swell the present mailing list. To individuals the price of a single subscription to The Enquirer is \$2.50, and to Clubmakers who return and pay for three or more subscriptions the price for an annual subscription is \$2.25.

OFFER TO CLUBMAKERS

We have the following liberal offers to make to CLUBMAKERS, all conditioned on the same rules and regulations heretofore obtaining, including the following:

CLUBMAKERS may return names as they set them, with the understanding that the Clubmaker is responsible for each subscription at the rate of 5 cents per week until February 14, 1920.

ALL NAMES MUST BE PAID FOR before 4.00 P. M., SATURDAY, FEBRUARY 14, 1920.

WOODSTOCK TYPEWRITER

To the Clubmaker returning and paying for the largest number of subscriptions by February 14, 1920, we will give a WOODSTOCK TYPEWRITER, one of the very best, reliable writing type machines on the market, worth One Hundred Dollars in Cash.

SECOND PREMIUM, \$50.00 CASH

For the Second Largest Club we will give FIFTY DOLLARS CASH.

Third Premium, \$12-Piece Dinner Set.

For the Third Largest Club we will give one \$12-piece Dinner Set, valued at \$30.00, or if the winner of the Third Premium prefers he may have \$30.00 in cash instead of the Dinner Set.

TWO 42-PIECE DINNER SETS

For the Fourth Largest Club we will give Two 42-Piece Dinner Sets, valued together at \$25.00.

TWENTY DOLLARS CASH

For the Fifth Largest Club we will give TWENTY DOLLARS CASH.

FOURTY-TWO PIECE DINNER SET

For the Sixth Largest Club we will give a 42-Piece Dinner Set, valued at \$12.50 Cash.

SAME AS ABOVE

For the Seventh Largest Club we will give a 42-Piece Dinner Set, valued at \$12.50 Cash.

TEN DOLLARS IN CASH

For the Eighth Largest Club we will give Ten Dollars in Cash.

EIGHT DOLLARS IN CASH

For the Ninth Largest Club we will give Eight Dollars in Cash.

OTHER PREMIUMS

FOR FIVE NAMES—Three-Bladed Pocket Knife, with name and address in the handle, worth \$1.50.

FOR EIGHT NAMES—Willard Self-Filling Fountain Pen, worth \$2.00, or Four-Bladed Pocket Knife, with name and address in the handle, worth \$2.00.

FOR TEN NAMES—Year's Subscription to The Yorkville Enquirer, or a Willard Self-Filling Fountain Pen, that retails at \$3.00.

FOR FIFTEEN NAMES—A Thirty-one Piece Dinner Set, valued at \$1.00.

FOR TWENTY-FIVE NAMES—A Forty-two Piece Dinner Set that retails at \$12.50.

For a less number than FIVE NAMES, Cash Commission, and also CASH COMMISSION on all names over and above the number necessary to secure any of Premiums mentioned above.

THIS IS IMPORTANT

Please remember! That under no circumstances must the Subscriber receive the paper for LESS than the Subscription Price advertised for Clubs, \$2.25 a Year. The Publishers are bound not to violate this rule.

NEW SUBSCRIPTIONS

ALL NEW SUBSCRIBERS who give the Clubmakers the Cash (\$2.25) with their subscriptions, will be entitled to receive The Enquirer until January 1, 1921, without charge for the time previous to January 1, 1920.

NO EXTENSION

Last year for reasons that were deemed sufficient, there was an extension of the time during which subscriptions were received at club rates, \$2.25 per annum. The time was extended from February 1 to March 15. This year there will be no such extension, the club rate of \$2.25 will be continued until February 15. On that date all unpaid subscriptions will be dropped from the mailing list and the subscription price from then onward will be not less than \$2.50. At the rate at which the cost of white paper is now going up, it is quite possible that the subscription price after February 15, may be \$3.00 or more.

A BETTER ENQUIRER

Kind words of commendation and appreciation from our subscribers and others who are not subscribers, mean a larger circulation, and a larger circulation of The Enquirer means a better and more valuable newspaper. We want all who can to act as Clubmakers, and those who cannot conveniently act as Clubmakers may feel assured that their words of commendation will be appreciated both by the Clubmakers and publishers.

Our books for the Club campaign will be opened SATURDAY, NOVEMBER 1, and closed SATURDAY, FEBRUARY 14, 1920. New subscribers who pay the Clubmaker the Cash along with their subscriptions, will receive the paper until January 1, 1921 without charge for the period previous to January 1, 1920.
